Application for a Real Estate Broker License

Supplement B-Qualifying Experience Report for a Broker License After an Application has Been Filed

Applicant Name (ENTER NAME EXACTLY AS SHOWN ON APPLICATION PAGE 1**)**

Last _____ First _____ Middle _____ License Number _____

You must accumulate at least 720 points over a minimum period of **4 years** during the **5 years preceding** the **date the application is filed** to qualify for a broker's license based on experience as an active real estate license holder. The experience points claimed on this form begins on the **date the application is filed**. Use Supplement A to claim experience points for the period before the application is filed.

Any experience over the minimum 720 points can be substituted for up to 300 hours of the 630 real estate related education hours required for a broker's license. For calculation purposes of experience over the minimum 720 points, two (2) points equals (1) real estate related education hour. For example, you would need an additional five (5) residential sales transactions per year over a period of four (4) years to accumulate enough points to substitute for 300 hours of real estate related education.

1. **Only experience gained during the period after the date the broker application is filed may be used for this report.**
2. **Multiply the number of transactions performed by the point value indicated to arrive at the points earned for that transaction type.**
3. **Add the points earned for each transaction type to arrive at your total points for Supplement B.**
4. **Add the total points for Supplement B and the points reported under Supplement A to arrive at your total points.**
5. **Enter the total figure on the Total Qualifying Points line. You should have at least 720 final qualifying points. You must file Supplement A to receive credit for experience earned before the application is filed.**
6. **You must maintain documentation to support your claim for experience, which may include executed contracts, settlement statements, etc., that clearly demonstrate your active participation.**
7. **You must complete the entire experience report to document your qualifying experience including broker signatures(s) and verification.**
